Slide Title

This is how you itemize:

- Main point
 - Sub-point (level 1)
 - Sub-point (level 2)

This is regular text.

This is how you emphasize.

This text is highlighted.

This line is not important (de-emphasized).

How to Display Code

This code chunk will be printed...

```
1 + 1  
## [1] 2
```

... this one won't:

```
## [1] 2
```

Don't forget to thank the DFG :-)

This research was funded by the Deutsche Forschungsgemeinschaft (DFG), grant 2277, Research Training Group "Statistical Modeling in Psychology" (SMiP)

This is how you can specify columns, by the way.
